AVIATION EXPERIENCE

ALPHA ONE FLIGHT / SOUTH COUNTY FLYERS | Commercial Pilot Development / Maintenance Officer Dec 2024 - Present
Focused on commercial pilot development at KPYM; completed substantial instrument and G1000 training in a C172S Part 141 environment. Serves as Maintenance Officer for South County Flyers at KOQU, helping coordinate fleet airworthiness, maintenance needs, and operational readiness.

TCOM LP | Engineering Technologist III / Night Shift Lead Oct 2023 - Dec 2024
Led a four-person night operations team responsible for weather planning, aerostat launch/recovery, mission execution, and coordination of major maintenance with U.S. Army personnel to minimize downtime.

PRO AIRWAYS • PART 135 / 145 | A&P Technician / Inspector Dec 2022 - Oct 2023
Troubleshoot, maintained, and inspected Falcon 900EX/EASy, Hawker 1000, Beechcraft Premier 1, and King Air B250 aircraft. Performed Quality Assurance, Return-to-Service functions, maintenance transaction reporting, and RII inspections.

AECOM / AMENTUM | Engineering Technologist III Aug 2019 - Sep 2020
Operated persistent-surveillance systems supporting U.S. Army and U.S. Department of State missions, requiring disciplined procedures, situational awareness, and precise team coordination.

DYN CORP INTERNATIONAL | Transient Alert Jan 2019 - Jun 2019
Supported diverse fixed- and rotary-wing aircraft with follow-me services, fuel servicing, and aircrew assistance across U.S., foreign, and multiple aircraft types.

M1 SUPPORT SERVICES / U.S. AIR FORCE | F-16 Aircraft Mechanic I / Tactical Aircraft Maintenance Technician Jun 2009 - Nov 2018
Inspected, serviced, documented, maintained, and troubleshoot F-16 aircraft; trained personnel; earned elevated inspection authorizations; served as crash-investigation liaison and inspected 1,000+ support-equipment items.

SELECTED MILITARY RECOGNITION + TECHNICAL TRAINING
